

# SUMMER DEVELOPMENT SOCCER 2012

## What is Summer Development Soccer?

USA's 'Summer Development Soccer' program provides committed players the opportunity to enjoy competitive soccer throughout the months of June and July.

Teams will compete in summer soccer tournaments in the tri state area against other summer select and development teams. Practices will begin in May and finish during the final week of July.

Competitive tournaments and highly structured training ensures all players develop at both the individual level and within a team environment.
